Path To Employment

- *CareerConnections.nj.gov* – **Plan - Prepare - Succeed**

Are You Prepared?

MS Office Specialist Prep / Open Access – *No appointment required*

Technology has created many new positions in the digital market. These positions require an individual be prepared with training and possibly a certification. Certifications attest to, or provide clear evidence of, your ability to be successful in your new career.

The Passaic County Workforce Development Center (PCWDC) and the New Jersey Career One-Stop Center located at 200 Memorial Drive, Paterson, NJ 07505 are offering you an opportunity to prepare for that digital marketplace.
